Dear Parents,

We have had an engaging and productive first week back at school. It has been a pleasure to see many returning students, as well as meeting new ones. The students have been busy learning the new rules and routines for this year, and we have begun with diagnostic testing.

This year we are using Class Dojo to monitor students and communicate with parents. A letter of invitation has been sent home with your child. Please try to download the phone app and sign up.

This Week’s Focus

In all classes, we will be continuing diagnostic testing and we will be reviewing content from the previous year.

As we have just begun, there is no homework for this week, nor will there be a spelling test.

School News and Reminders

- School timings have been changed slightly. All students are dismissed at 1:00pm. Please arrange to have your child picked up at this time.
- Students must be in proper uniform at all times, including shoes and a tie. If you have not yet purchased a uniform, please do so ASAP.
- A student supply list has been sent home. Please try to obtain all items as soon as possible.
- Lockers are available for rental. A deposit is required for a key, which will be returned at the end of the year. Please ask at the office if you are interested.
